NOTES

- Where applicable the assessor's report should provide the following information:
- Authenticity of claim (is it genuine or not? Why?)
- Insurance Policy response?
- In cases where more than one vehicle is involved in an accident the assessor should provide photographs of all vehicles
- Consistence of the claim with respect to circumstances of accident (are none accident related items included in the claim)
- Betterment
- Salvage (for all items restored by replacement, the damaged ones should be submitted to Econet Insurance offices before payment can be effected)
- Any other material fact
